talk to your doctor,

● I made the same mistake as [redacted] when I was young – I'd feel the need to [redacted] "make the most of it". That's changed drastically. Now

● Finally, there's someone admitting [redacted] Patient fatigue". I've suffered its debilitating effects for years. [redacted]

● Oh, my goodness, [redacted] my own heart! Fervent [redacted] the shame of my low [redacted] threshold when [redacted] I am [redacted] alone. A couple of years ago, I fulfilled a promise to myself [redacted] st. [redacted] dutifully [redacted]

Nothing To Declare

After that [redacted] situation worsened. The [redacted] access so that, rather [redacted] to an absurd degree.
It became a pattern [redacted] I couldn't leave my house. [redacted] kept me indoors. [redacted] I was isolated and monitored [redacted] watched [redacted] through the windows. [redacted] I'd just woken up, and I didn't bother asking for a reason.
The next day, I got up, tried to relax with a cup of tea on the balcony, got dressed and left [redacted]

'Fuck 'em!
